

We're a family run business

My wife and I have been together for 16 years with 12 years married this year. Our time has taken us to many corners of the world and the last 10 years we have focused on settling into Sussex life. With 2 small children we are now in our family home and shall be renovating and improving for many years to come!

Through our experience of renovations and home improvements we know the importance of reliability and standards of works wanted and as the client to feel comfortable with the trades person.

During our time in Brighton we have worked hard to create our family run business ensuring we give you the personal attention needed so we can understand your needs and desires in order to achieve your goals.

We strive to maintain the highest levels of service and our priority is you.

With 20 years experience and working closely with experts in related fields, we can give you design options and advise on any of your proposed landscaping or paving projects.

We offer full construction of all paving projects from small back garden patios right through to car parks. We also take on any extensions or repairs that need attention.

We work closely with known suppliers to obtain the highest grade of paving materials that plays an integral part of achieving your driveway or patio.

The paving team covers all of Brighton and Sussex and parts of Surrey.
